

IVAR GAVELIN

STUDENT AT LINKÖPING UNIVERSITY
2000 - 11 - 02
5TH YR

PERSONAL INFORMATION

I am a calm person who thrives in social environments. I have extensive experience working in groups from my studies at LiU. Developing something new and being creative in my work are what I find most interesting and enjoyable.

EXPERTISE

- Strong communication and networking skills
- Successful in team environments as well as in independent work
- Ability to work under pressure and handle multiple tasks
- Skilled at listening and following instructions.

EXPERIENCES

Master Thesis - FOI, Swedish Defence Research Agency

JAN 2025 - CURRENT

Conducting my Master's thesis within the Electronic Warfare Division at FOI in Linköping.

Freelance Consultant - Aerocapture Productions

MAR 2023 - AUG 2024

During the summer, I worked as a freelance consultant through my newly established company, developing a website for a non-profit organization. The project involved gathering requirements, designing the layout, and building the site in WordPress, ensuring user-friendly navigation and alignment with the organization's goals. <https://svartso.se/>

Tutor in Physics - MyAcademy

MAR 2023 - JUN 2024

Worked with high-school students in courses such as Physics 1 & 2 e.t.c.

PR-Manager - Media Technology Fair Day 2023

FEB 2022 - DEC 2023

Volunteer work of media manager for the master's thesis fair for engineering students in Norrköping.

Sales Staff - Willys

JUN 2023 - AUG 2023

PR-Manager - the association of civil engineers

MAR 2022 - JUN 2023
